The 12th EFLM (former EFCC) Continuous Postgraduate Course in Clinical Chemistry
NEW TRENDS IN CLASSIFICATION, DIAGNOSIS AND MANAGEMENT OF
GASTROINTESTINAL DISEASES
Inter-University Centre Dubrovnik, November 10-11, 2012

PROGRAMME

SATURDAY NOVEMBER 10th

08.00-09.00 **Registration**

STATE OF THE ART

09.00-09.15 **Course Introduction** *Elizabeta Topić (Zagreb, Croatia)*

09.15-09.45 **Classification and epidemiology of gastrointestinal diseases** *Marko Duvnjak (Zagreb, Croatia)*

09.45-10.15 **The role and importance of screening tests in gastrointestinal diseases** *Petr Kocna (Prague, Czech Republic)*

10.15-10.45 Coffee break

ONCOLOGICAL ANGLE IN GASTROINTESTINAL DISEASES

10.45-11.15 **Guidelines on colorectal cancer screening** *Michael Neumaier (Mannheim, Germany)*

11.15-11.45 **New molecular diagnostic tests for screening and monitoring of colorectal cancer** *Michael Neumaier (Mannheim, Germany)*

11.45-12.15 **What is the role of EGFR and ras pathway in colon cancer** *Sanja Kapitanović (Zagreb, Croatia)*

12.15-14.45 Lunch break

GASTROINTESTINAL NUTRITION-RELATED DISEASES

14.45-15.15 **Screening and confirmation of malabsorption** *Zdislava Vanickova (Prague, Czech Republic)*

15.15-15.45 **Anorexia: disease or a symptom?** *Janet Treasure (London, UK)*

15.45-16.15 Coffee break

16.45-17.15 **Refeeding syndrome: What does it really mean?** *Jasna Leniček Krleža (Zagreb, Belgium)*

17.15-17.45 **Bowels control brain: gut hormones and obesity** *Gavin Bewick (London, UK)*

SUNDAY NOVEMBER 11th

GASTROINTESTINAL DISEASES IN CHILDREN

08.30-09.00 **Prenatal and newborn screening of Cystic Fibrosis** *Dragica Radojković (Belgrade, Serbia)*

09.00-09.30 **Serological diagnosis of celiac disease in the new diagnostic criteria** *Zrinjka Mišak (Zagreb, Croatia)*

09.30-10.00 **Chronic pancreatic insufficiency in children: etiology, clinical presentation and diagnosis** *Oleg Jadrešin (Zagreb, Croatia)*

10.00-10.30 Coffee break

CHRONIC GASTROINTESTINAL DISEASES

10.30-11.00 **Immunologic markers of inflammatory bowel diseases** *Andrea Tešija Kuna (Zagreb, Croatia)*

11.00-11.30 **Laboratory findings and clinical indices as indicators for endoscopic remission in luminal Crohn's disease** *Clas-Göran af Björkstén (Helsinki, Finland)*

11.30 **Discussion**
